

Process For Dual Registration – Western NSW Football [2024]

Dual registration is permissible in some specific cases for Regional Associations/Branches individual circumstances where there is a benefit to player development or football competitions within Western NSW noting that the below is to be followed .

Local Association Competitions

Clubs seeking dual registration for a player registered within a local Association club must submit a request to their local Association who will then advise Western NSW Football of the request .

All requests must include a letter [or email] from the applicant stating the reason for the request.

A letter [or email] from the first registered club approving the request.

Players cannot be dual registered in similar or like for like competitions.

Players will only be considered for dual registration from a junior club into a senior club only if the junior club does not have any teams in the senior competition that the players wishes to be dual registered into .

Players will be considered for dual registration pending local Association guidelines.

Approved players will be recorded by Western NSW Football

The player is not eligible to play for the secondary team until written approval is received from Western NSW Football [if granted] and such approval is given to the Association , or in the case of the application being declined , will not be eligible for that secondary club/team .

Western NSW Football SAP and AYL Players

Only players from the below teams at Western NSW Football will be eligible for Dual Registration into Local Association Football clubs :-

Boys and Girls SAP [U9/10/11/12]

Any dual registered player must fulfil their commitments to WNSW Football in the first instance and failure to abide by the above will result in possible retraction of dual registration approval .

Players must complete this form
